

AGM weekend —2 Day Class

Autumn Leaves in Needlelace

with Shirley Pygott

Student level : All – beginners or those with vision challenges can choose to work at a larger gauge than those with some needlelace experience

Description :

Traditional and experimental needlelace techniques are used to create a series of unique leaf motifs.

The stitched leaves are hand coloured to create a variety of colourways, and different methods of displaying the finished leaves will be discussed.

There will be a choice of sizes and leaf shapes to stitch, to suit individual eyesight and skill level. Size of finished leaves range in length from 6cm-9cm

Participants would expect to complete 1-2 leaves (including painting)

Kit Contents: All templates, threads, and use of paints are provided

Kit Cost NZ \$25
